

It is commonly understood that these days has become popular in the world, especially in improved countries because is very important in our life / community. Some people believe thatis so necessary. While their idea is not very common. In my opinion, because of two convincing reasons such as good for healthy, and economy.

To begin with, the most essential reason is that (Outline main idea)..... because (A support sentence).....For example.....
In short (Restate main idea) In addition to, a further more subtle point, we must consider that (Outline main idea)..... Because For instance, In brief (Restate main idea)

On the other hand, other people are considered that.....
Because..... for example:..... As a result of (The sentence links back to the first sentence).....

In conclusion, this essay discussed (Briefly mentions argument 1 & 2) In my opinion, the..... (Rewrite the 3rd sentence of introduction)..... (E book is better than hard book)

Method:
